Congress has reauthorized the provision that allows you to make a charitable gift from your IRA to The University of Texas M. D. Anderson Cancer Center without incurring income tax on the withdrawal. That means you have a new source of tax-advantaged funds to use to make a gift. If you're 70 ½ or older and do not need your mandatory withdrawals from your IRA, find out how your charitable giving just got better.

For more detailed information, go to www.mdanderson.org/IRA or call 866-928-9494.
