Greetings,

Thank you for your generous support that allows us to continue to bring a different kind of care to your community, year in and year out.

As you make your year-end giving plans, we would like to share with you tax changes and resources for charitable giving.

Passage of the Coronavirus Aid, Relief and Economic Security (CARES) Act provides increased incentives for those inspired to give. Among the changes are a new tax deduction for non-itemizers and higher charitable deduction limits. To **Learn more please visit [JourneyCare Gift Plans](#)**.

You can make a gift directly through our website or contact us at 847/269-3655. These JourneyCare Foundation staff are available to answer your questions or assist with gifts.

For gifts of appreciated assets such as appreciated stock or real estate, charitable distributions from IRAs, wills, trusts or other estate gifts, please contact **Christine Post-Duncan, Gift and Estate Planning Director**.

Thank you for your generosity this holiday season! Thanks to donors like you, we can be there for your community, your neighbors, and your family. Serious illness does not take a break. Nor does JourneyCare.

Warmest Regards,

Joseph P. Matty

### **Gifts of Appreciated Stock**

Gifts of stock held for more than one year with increased value can make a very tax savvy charitable gift. We are here to help you smoothly and easily make a transfer. ### **Gifts from your IRA**

A Qualified Charitable Distribution (QCD) from your IRA is a wonderful way to support JourneyCare and receive key tax benefits. A QCD allows taxpayers over age 70½ to donate to charities directly from their IRA, which would allow you to avoid federal income tax on this money while supporting the work of JourneyCare.
